

PRODUCT LIST AS ON JANUARY 2024

No.	Product Name	Packing	Supports / Benefits	DESCRIPTION
NUTRITION PLUS (Capsules)				
1	Organic Spirulina Caps	60 Caps	Perfect Energy Food / Natural Anti-Oxidant	Spirulina is a natural source of 46 major nutrients such as protein, carbohydrate, 13 vitamins, 13 minerals, 4 natural phytonutrients, 8 kerotanoids & 18 amino acids. It also contains 3 natural color pigments. According to WHO, Spirulina is the greatest super food on earth and an ideal food supplement for the human body. It provides daily nutritional value for the human body and strengthens the immune system. It improves the metabolic rate and reduces acidity. It is a natural source of antioxidants that helps to reduce the growth of cancer cells. It also helps in detoxification of the body.
2	Ashwanoni Caps	60 Caps	Cell Rejuvnation / Health Enhancer	Noni is a tree of the coffee family containing a variety of enzymes, anthroquinols and polysaccharides that regulate the bio-activity of cells, help in the formation of new cells and repair of old cells. Noni controls the flow of many types of chemicals in the body, the process of making hormones and strengthens the digestive system. Its anti-histaminic, antiinflammatory and anti-bacterial properties are also very important. Noni is also widely used due to its anti-aging properties.
3	Ashwagandha Caps	60 Caps	Anti-Stress & Revitalizer / Powerful Adaptogen	Ashwagandha, the magical herb, also known as Indian Ginseng. It has ability to fight against cancer and diabetes, as well as reduces inflammation, arthritis, asthma, hypertension, and rheumatism. It boosts antioxidants to give rejuvenating effects and regulates the immune system of the body. It inhibits high levels of cortisol, 'the stress hormone' and used as tranquilizer and antidepressant. It stimulates the thyroid gland, aids in improving vitality and fertility. It helps in strengthening of heart muscles and cholesterol control. In Ayurveda it is highly recommended after the age of 40. It should be taken regularly.
4	Garlic Caps	60 Caps	Cardiovescular Health / Lowers Triglyceroids	The most important chemical constituents found in the garlic bulb are the sulphur compounds, predominantly Alliin. Antihyperlipidemic: Garlic lowers cholesterol, plasma lipids, cholesterol biosynthesis and atherogenesis. Allicin lowers serum and total lipids levels in the liver, phospholipids, triglycerides and total cholesterol. Antihypertensive: Garlic helps in vasodilation and is helpful in reducing blood pressure. Antithrombotic: Garlic increases serum fibrinolytic activity and inhibits platelet aggregation. This makes it an excellent choice in conditions like coronary atherosclerosis, ischemic heart disease, peripheral vascular disease and other vascular diseases.
5	Ostocure Caps	60 Caps	Joint Health / To increase Synovial Fluid	Glucosamine is being used worldwide as a NSAID (Non Steroidal Antiinflammatory Drugs) in relief of joint pain and swelling (osteo-arthritis). Glucosamine is a long chain of amino acids called Glucosaminoglycan (GAG) that is found in high concentration of sea cells. Glucosamine is used for formation and repair of cartilages and helps to attract the Proteoglycans molecule to increase the production of Synovial fluid.

6	Aloevera Caps	60 Caps	Digestion & Detoxification / Strengthens Immune System	Aloe Vera is a stemless plant with fleshy leaves having toothed edges growing in desert area. The leaves are extensively used in medical field as well as in cosmetic industry. It contains approximately 20 essential minerals like, Copper, Iron, Sodium, Calcium, Zinc, Potassium, Chromium, Magnesium, Manganese etc., Vitamins like A, B1, B2, B6, B12, C, E, Folic Acid and many kind of enzymes, polysaccharides and antioxidants are found in Aloe Vera. In addition to this, almost all the non-essential amino acids are found in Aloe Vera. Aloe Vera improves body immunity, increases mobility of joints and muscles. It tones up the digestive system, relieves gastric acidity, removes constipation and maintains body energy. It is helpful in arthritis, asthma, cold due to allergy, flu, bronchitis, herpes infection etc.
7	Musli 500 mg Caps	60 Caps	Male Vitalizer / Reproductive System	Safed Musli is a herb and food supplement which not only makes the body more energetic but also eliminates all kinds of weaknesses in the human body. It helps to promote functions of nerve system. It is used as a natural steroid in traditional Ayurveda and helps to remove any sexual disorder in men and women both. It also contains a high percentage of glycoside which improves the immune system of the human body. It is also full of proteins, carbohydrates, vitamins, minerals, alkaloids, saponins and polysaccharides etc.
8	Super-X 500mg Caps	60 Caps	Increases Vigor, Vitality & Testosterone	Super-X is a sexual health formula which contains balanced quantity of all required nutrients which maintain vigor & vitality of the body. Super-X strengthens immunity of the body and prevents attacks of general diseases, thus helps the body to maintain fitness. Super-X is constituted of eight different medicinal herbs and nutritive plants namely, SHATAVARI (Asparagus racemosus), ASHWAGANDHA (Withania somnifera), VIDARIKAND (Pueraria tuberosa), KAUNCH BEEJ (Mucuna Pruriens), VRIDDHADARU (Argyrea speciosa), SHILAJIT (Asphaltum), PIPLI (Piper longum), and GINSENG (Panax ginseng). Regular use of Super-X compensates for lack of regular nutritious diet and fights out nutrients deficiency.
9	Shilajit Caps	60 Caps	Revitalizer / Enhances Stamina	Shilajeet is a wonderful remedy to purify the body. Shilajeet is known to produce excellent results in the treatment of sexual dysfunctions in men. It helps in increasing the sexual strength and to increase stamina for performing sexual activities. Shilajeet is a natural rejuvenator that provides the body cells and helps to remain young forever. Shilajeet is also useful in treatment of skin disease, chest disease, piles, reducing fat, constipation, intestinal worms and general weakness.
10	Krishna Tulsi Caps	60 Caps	To improve Immune System / Anti-flu	Krishna Tulsi leaves, seeds and all parts of the plant are full of health benefits in which ursolic acid, apigenin and luteolin are important. The medicinal properties of basil have been found as anabolic, reducing sugar, loosening the muscles, slowing down the heart, reducing the effects of stress on the body and producing antibodies.
11	Bitter Melon Caps	60 Caps	Known as Green Insulin / Enhances Galactagogue	Karela (Bitter Melon/Bitter Gourd/Momordica charantia) offers a host of medicinal benefits and is a key herb in Ayurvedic medicine. Recent medical studies have indicated that Karela contains a 'plant-insulin' which helps in lowering blood sugar levels. The juice of the plant is helpful in treating alcohol-induced hepatotoxicity. Antidiabetic: Karela helps support normal blood sugar levels with compounds called Charantin and Momordicin. Insulinomimetic (insulin-like): Insulin is responsible for maintaining normal glucose levels in the blood. Karela, by its insulin-like action and by increasing the secretion of insulin, helps in reducing excessive blood glucose levels.
12	Shatavari Caps	60 Caps	Hormonal imbalance in Females	Shatawari can restore hormonal balance in women who have fluctuating hormonal levels due to menstruation and menopause, thus alleviating pre-menstrual and menopausal symptoms. It is also popular as a herb that enhances fertility and regulates the menstrual cycle. With an estrogenic effect on the female mammary glands and reproductive system, Shatawari boosts postpartum health and enhances the production of breast milk in lactating mothers. Gastrointestinal health: Shatawari is reported to have a significant effect in the management of gastrointestinal microbial infections caused by E. coli, Shigella and V. cholera. Diuretic: Shatawari is a potent diuretic and is helpful in flushing out toxins through urine.

13	Gugglu Caps	60 Caps	Lowering Cholestrol / Hypothyroidic condition	Guggul is known by the Sanskrit name “Guggulu” which means, “protects from disease”. Used since centuries, today Guggul gum resin is used for arthritis, cholesterol levels maintenance, blood purification, “hardening of the arteries” (atherosclerosis), acne and other skin diseases, detoxification & rejuvenation and weight loss. In Ayurveda, excess weight is the result of a kapha imbalance. Guggul helps to clear excess kapha.
14	Garcinia Caps	60 Caps	Appetite Suppressant / Weight Loss	Garcinia is an Indonesian fruit which grows in Africa and India and being used since centuries for its natural weight loss properties for those seeking a healthier lifestyle without any major changes in their present meal plans. It inhibits a key enzyme, citrate lyase, that the body needs to convert carbohydrates into fat. It decreases belly fat, suppresses appetite, controls emotional eating, and changes body composition by increasing lean muscle mass. Apart from weight loss, it improves overall health and is said to decrease cholesterol, LDL and triglycerides by 10-30% and to raise levels of the “good cholesterol” HDL.
15	Livo Plus Caps	60 Caps	Liver Detoxification / Liver repair / Liver Cirrhosis	Livo Plus is an exceptional and one of the best Ayurvedic formulation for its detoxifying action in cleaning and guarding the liver by counteracting the effects of poisons and toxins found in water, drugs, food, and air. It is beneficial in fighting against diseases of the liver such as pre-cirrhotic and early cirrhotic conditions, radiation or chemotherapy induced liver damage, hepatitis, elevated liver enzymes, alcohol liver disease, fatty liver conditions, and protein energy malnutrition.
